Department of Management (MBA)

Khandesh college education society was formed in the year 1945. KCES's College of Engineering & Management is promoted and funded by KCE Society. KCES's COEM, Department of Management was conceptualized in 2008 under the visionary & concrete guidance of Hon. President Shri. Nandkumar Bendale. The department has a competent & positive minded head with a team of qualified, experienced & dedicated faculties. The Department is headed by Dr. Sanjay R. Sugandhi.

The MBA Department of KCES's COEM was started with a view to impart quality management education for the budding leaders. While establishing Dept the college envisioned the leader who could share the responsibilities. The necessary skills of a manager were at the core concepts of the department; the department had conceptualized the industrial leadership, entrepreneurial leadership and research leadership.

Besides regular curriculum, students are given exposure to soft skill development, public speaking, team building, brain storming, seminars, debates, live projects, expert lectures by eminent personalities from corporate sectors. Presentations on current affairs, core subject topics are regularly arranged in the department to develop the presentation skills. Additional sessions for communication skills are arranged.

The department has been working from last 14 years excellently. The goal of the department is to develop not only a thorough management professional, but also a multi-faceted personality & a responsible citizen of the society. The department is focusing on quality placement in various reputed companies and our students already passed out have seen in very good position in various organizations of National and International reputation.
